Harry Brookes Allen Pathology Museum

Visit the Biomedicine website for full  
event details

<http://www.bbiomed.unimelb.edu.au/>

### WELCOME BACK!

We hope you've had a relaxing semester break and are refreshed and ready to tackle your studies in Semester 2.

### TEMPORARY CLOSURE OF THE BROWNLESS LIBRARY

The Brownless Biomedical Library is now temporarily closed to enable the construction of its new and improved learning spaces, library and student centre facilities. The Library will re-open at the beginning of February 2010.

Details of alternative arrangements for access to books, computers and study spaces during the closure are available at:  
<http://www.lib.unimelb.edu.au/collections/medicine/>

### SEMESTER 2 SUBJECT SELECTION

Friday August 7<sup>th</sup> is the last day that you can add or change your Semester 2 subjects. To add or change a subject you'll need to hand in a Subject Change Form.

Important information to assist you with your subject selection is online at:

[http://www.bbiomed.unimelb.edu.au/current\\_students/semester\\_2\\_enrolment\\_advice](http://www.bbiomed.unimelb.edu.au/current_students/semester_2_enrolment_advice)

If you wish to discuss your subject selection with a Student Adviser, please contact the MDHS Student Centre on 8344 5890 or email [biomedicine-info@unimelb.edu.au](mailto:biomedicine-info@unimelb.edu.au)

### MDHS DISCOVER HONOURS EXPO

The Honours Expo is a chance for you to discover more about the Honours programs available within MDHS departments. Presented by Dr. Tony Hughes and Discipline Co-ordinators.

Wednesday 9<sup>th</sup> September, 3.15pm – 5.15pm  
in the Harry Brookes Allen Pathology Museum

### STUDY ABROAD AND EXCHANGE INFORMATION SESSION

Find out more about how to study overseas and gain credit for it towards your Bachelor of Biomedicine and/or concurrent Diploma.

Lunchtime information session on **Thursday 13<sup>th</sup> August, from 1:00pm – 2:00pm in the Rand Seminar Room, Medical Building.**

Presented by Stuart Hibberd from Melbourne Global Mobility, and Biomedicine Course Co-ordinator Prof. Mark Hargreaves.

To register follow this link:

<http://studentexchange/StudentExchangeEvents.aspx>

Applications for exchange in our Semester 2, 2010 are due **Monday 7<sup>th</sup> December 2009**, or **Friday 27<sup>th</sup> November 2009** for University of California. Late applications cannot be accepted.

### A DAY IN THE LIFE OF...

**Ever wondered what 'a day in the life of' a doctor, a physiotherapist or a researcher involves?** Come along to a forum to gain a greater insight into potential occupations by listening to and networking with industry representatives to help clarify career pathways and get exposure to career fields of interest.

To register follow this link:

<http://careersonline.acs.unimelb.edu.au/cae/studentscae/>

**Wednesday 5<sup>th</sup> August 2009**

**1:00pm – 2:15pm**

**Basement Lecture Theatre – The Spot**

Fion Poon  
Student Adviser

Rebecca Croser  
Student Adviser

Biomedicine Students Society Presents

### MAJORS EXPO

Come along to find out more about pathways to majors and further study options. All majors will be represented. Academic staff will be available to discuss subject selection & career options.

Mid September, date to be confirmed

### JD INFORMATION SESSIONS

Looking for information about a pathway into law? The Melbourne Law School is holding information sessions in July, August and October. For more information follow this link:

<http://jd.law.unimelb.edu.au/go/future-students/information-sessions>

### UNDERGRADUATE RESEARCH OPPORTUNITIES PROGRAM (UROP)

UROP is an exciting program that offers you the opportunity to work in a research laboratory on a biomedical research project.

Applications for the summer round open in September. To apply, please refer to <http://www.bio21.com.au/urop.asp>

### STUDENT WORK PLACEMENTS

Student Work Placements (SWP) are experiential learning initiatives open to University of Melbourne students from all disciplines and year levels. C&E's SWP program facilitates approved unpaid work experience opportunities to assist students to enhance their employability skills.

For more info follow this link:

<http://www.services.unimelb.edu.au/careers/student/swp/index.html>

### UPDATE FROM THE BIOMEDICINE STUDENT SOCIETY
